End Application:

F100-pw-100/200/220/220e/229 engines

Special Features:

Pwa53183 sonic airflow adapter is attached to the side of pwa50011-air cooled turbine component test stand

Functional Description:

Attached to the test stand is used to adapt for tobi-duct testing

Reference Data And Literature:

Serd 5806; tech order=33d4-6-678-4--ipb-air cooled turbine componets est stand, pwa50011 sonic air flow adapter pwa53183

Supplementary Features:

Company item name-kit assembly sonic airflow adapter for pwa50011

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
