End Application:

Kc135 aircraft

Special Features:

C/o a graphite plate, stored in a case

Functional Description:

Used to reproduce lpt stage 1 outer air seal inside diametr for machining

Reference Data And Literature:

Serd no. Cfc5367

General Description:

C/o a graphite plate, stored in a case is used to reproduce lpt stage 1 outer air seal inside diameter for macching

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
