**Usage Design:**

Automatic test system

**Functional Description:**

Provides all functional testing requirements for a uut, including cooling air, power, load, stimulus and measurement functions

**Fsc Application Data:**

B-1b, f-16a/b, a-7, b-52 aircraft age

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
