End Application:
Kc-135r aircraft age.
Nominallength:
5.000 inches
Nominaldiameter:
5.000 inches
Functional Classification:
Gg-7.4
Special Features:
Matl: steel; black oxide coating
Functional Description:
Used for the circumferential weld of the inlet end fitting to support
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A505c0
