End Application:

Kc-135r aircraft age.

Nominallength:

5.000 inches

Nominaldiameter:

5.000 inches

Functional Classification:

Gg-7.4

Special Features:

Matl: steel; black oxide coating

Functional Description:

Used for the circumferential weld of the inlet end fitting to support

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
