**End Application:**

Kc-135r aircraft age.

**Nominallength:**

5.000 inches

**Nominaldiameter:**

5.000 inches

**Functional Classification:**

Gg-7.4

**Special Features:**

Matl: steel; black oxide coating

**Functional Description:**

Used for the circumferential weld of the inlet end fitting to support

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A505c0
