Overall Length:

25.833 feet

Overall Height:

7.083 feet

Overall Width:

13.333 feet

Assembly Form:

Rigid

End Application:

F-15 a/b/c/d acft

Work Holding Device Position Adjustability:

Nonadjustable

Product Name:

Over haul frame, wing, rh

Functional Description:

Used to hold the wing (right hand) for repair or component replacement

Reference Data And Literature:

Serd no. 8246

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T361-c
