Autocollima Illuminator Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4920-01-305-0416

**End Application:** 

Lantirn mobility shelter facility

**Product Name:** 

Autocollimator illuminator assembly

**Special Features:** 

C/o housing; mount; terminal 3; connector; resistor 2; semiconductor 13

**Functional Description:** 

Used on the electro-optical test stand

Shelf Life:

N/a

**Unit Of Measure:** 

--

Demilitarization:

Yes - demil/mli
