Special Features:

C/o bleed aie inlet adapter; cooling air inlet adapter; coupling; pressure gage; pressure relift valve; pressure regulator; shop air adapter; dim. 20.000 in. Lg; 15.000 in. W; 15.000 in. H; weight 15 lbs; material: case: aluminum; hose: polymer; components: stainless steel; finish: passivate

Functional Description:

Used to test the on-board inert gas generating system (obiggs); used on the c-17 acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
