End Application:

An/alr-56 se; an/alm-246; countermeasures set

Test Item Connection Method:

Cable

Special Features:

O/a dim: 16.500 in. W., 15.200 in. D., 7.500 in. H.; wt: 19 lbs

Functional Description:

Provides electrical/mechanical interface btwn srus, for performance verification, adjustment/fault isolation

Reference Data And Literature:

Serd i 39

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
