End Application:

F-16c/d constant speed drive

Special Features:

C/o gearbox adapter plate, p/n d21397; adapter tube, p/n b17578; adapter tube, p/n 17579; charge pressure fitting, p/n 434918; test cable assemblies, p/n c16042 and c17390; power cable, p/n b16701; spline adapter plug, p/n b20891; hose, p/n b15328; hose, p/n b15330; hose, p/n b15332; associate equipment listed in serd no. 42600, test stand, generator

Functional Description:

Used to provide the electrical connections between the slave generator, p/n 977j330, and the, test stand control console

Reference Data And Literature:

Serd no. 42883

Fsc Application Data:

Test stand, generator, serd no.42600

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
