End Application:

4920-01-209-5084, test station, pneumatic system components

Special Features:

C/o air powered pump p/n 206-780, valves 2, adapters 4, sanitary can 1, incline filter 1, and misc hardware

Reference Data And Literature:

Ford aerospace/communications corporation dwg no. 153172; t.O. 33d2-39-29-4, fig 2-29

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
