End Application:

F-16 a/b/c/d

Functional Classification:

Aa-9.4

Special Features:

ADDS-TH-EHA-RPOO

Functional Description:

To test and isolate faults; applicable tests: test to 16za755006. Compatibility test. High and low temperature. Shock and vibration testing

Reference Data And Literature:

Serd no. 75500

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
