End Application:

4920-01-315-1320

Nominalwidth:

0.500 inches

Nominaldiameter:

50.000 inches

Special Features:

Inseparable assembly; steel, sae 1010-1030

Functional Description:

Used to install fan stator abradable seals

Reference Data And Literature:

Ge drawing no. 3c3547

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
