**End Application:**

F117-pw-100 aircraft engine

**Special Features:**

Welded construction; aisi 1020 steel

**Functional Description:**

Used to load test lpt in running position

**Reference Data And Literature:**

Pw drawing no. 80857

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505c0
