**End Application:**

F117-pw-100 aircraft engine

**Special Features:**

Adapter, lift and trunnion; steel, aisi 1020; welded construction

**Functional Description:**

Used to lift and load test fan exit case subassembly in various positions

**Reference Data And Literature:**

Pw drawing no. 80566

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505c0
