End Application:

C-17 aircraft engine support equipment

Nominallength:

19.700 inches

Product Name:

Fan exit case support bracket

Nominalwidth:

5.000 inches

Nominalheight:

0.750 inches

Special Features:

Steel aisi 4140 welded construction rockwell hardness 28-36; load test 6900lbs 3 minutes

Functional Description:

Support engine assembly three and nine o'clock

Reference Data And Literature:

To 35-1-322

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
