## NSN 4920-01-387-5663

Calibration Weight - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4920-01-387-5663

End Application:
F117-pw-100
Special Features:
Required to calibrate the dynamic balancing machine when balancing the high pressure compressor rotating assembly
General Description:
length 2.4 in., width 0.7 in., height 0.2 in.
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
