End Application:

4920-01-373-3517

Special Features:

Provides mounting for the inertial platform; left hand; heat treat iaw mil-h-7199

General Description:

Beryllium copper, qq-c-530; 2.130 in. Lg; 1.880 in. W; 1.250 in. H

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
