Overall Length:

7.290 inches

Overall Height:

1.840 inches

Overall Width:

5.180 inches

Key Quantity:

24

End Application:

4920-01-324-3591

Features Provided:

Electromagnetic interference shielding

Unit Design:

Portable

Interface Type:

Bnc

Key Type:

Push button

Special Features:

Base, hand held terminal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A509m0
