Major Components:

Handset p/n 92104801-10; handset interface assembly p/n92104808-10; interfaceassy p/n92104806-10

End Application:

A-10/kc-135 acft

Component Quantity:

3

Functional Description:

Used to download engine trending and diagnostics data from the tf34 and f108 engines

Supplementary Features:

Data transfer unit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T01200
