End Application:

F16A-/D-AIR-CRAF

Inclosure Type:

Encased

Terminal Location:

Front corner

Power Source:

External

Terminal Type And Quantity:

1 connector, receptacle

Product Name:

Remote control unit

Special Features:

Case with carry handle and keyboard

Reference Data And Literature:

Manufacturer drawing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A31700
