End Application:

F117-pwa-100

Nominalheight:

5.000 inches

Nominaldiameter:

14.000 inches

Special Features:

Supports rear hub during plasma spray operations.

Functional Description:

Fixture, holding

Reference Data And Literature:

Serd no 0481.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
