Overall Diameter:

20.600 inches

End Application:

F100-pw-100/200/220/220e engines

Special Features:

Masks inner diameter of 10th to 13th stages of compressor case during grit blasting or plasma spraying; used with pwa71787 and pwa71789

Material:

Stainless steel and rubber synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
