End Application:

Tf39 engine trim kit

Product Name:

Waterproofing feature kit

Special Features:

Kitc/o sealants, boots, and gaskets to minimize water penetration

Reference Data And Literature:

Ecp how142 dated 06/01/2000

Supplementary Features:

Kit designed to reduce possible exposure to electrical shocks due to operation in inclement weather

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
