**End Application:**

Ea-6b

**Unpackaged Unit Length:**

Between 74.000 inches and 76.000 inches

**Product Name:**

Cable, databus tester

**Special Test Features:**

Continuity testing and insulation resistance

**Specification Data:**

Mil std-202/method 302 government specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23800
