End Application:

Ea-6b

Unpackaged Unit Length:

Between 74.000 inches and 76.000 inches

Product Name:

Cable, databus tester

Special Test Features:

Continuity testing and insulation resistance

Specification Data:

Mil std-202/method 302 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
