End Application:

B-2 acft

Special Features:

Company item name-hydraulic test stand console

Functional Description:

Used to provide the hydraulic fluid pressure to perform extention, retraction, and static proof pressure tests on the various actuator assdmbles

Reference Data And Literature:

Serd no. 4273

Supplementary Features:

Materail-stee/aluminum; 76 in. High when on stand, 32 in. W, 33 in. Deep; req power 115 vac/60 hz/1 phase

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T361-e
