Hydraulic System Components Test Stand - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4920-01-491-3066

End Application:
B-2
Usage Design:
Individual hydraulic units
Installation Design:
Portable
Engine Driven Hydraulic Pump Testing Design Feature:
Not included
Product Name:
Console, test-actuator
Reference Data And Literature:
Northrop drawing dab7249g300
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T361-e
