Overall Length:

24.000 inches

Overall Height:

12.000 inches

Overall Width:

18.000 inches

End Application:

C-17a

Accessory Components And Quantity:

No-go pin 1, cleanout pins 3, vacuum nozzle 1

Functional Description:

Used to maintain the small diameter drain hole of pitot static probe clear of foreign object debris

Material:

Stainless steel

Reference Data And Literature:

Serd 570798, 1c-17a-4-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
