**Overall Length:**

24.000 inches

**Overall Height:**

18.000 inches

**Overall Width:**

6.000 inches

**End Application:**

F100-pw-220

**Product Name:**

Olympus f100lp turning tool

**Special Features:**

USED-WI-TH6-6500

**Reference Data And Literature:**

Serd 9177; wuc 23z00

**General Description:**

C/o motor lead assembly, power supply, dual foot switch, hand controller with display, power cord, carrying case operating instructions

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
