**Overall Length:**

24.000 inches

**Overall Height:**

3.375 inches

**Overall Width:**

3.500 inches

**End Application:**

B-1b aircraft

**Product Name:**

Drill test coupon assembly

**Special Features:**

Csk diameter 1.382in

**Functional Description:**

Used for wing lower skin splice taper-lok hole inspection and repair

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23900
