Overall Length:

21.000 inches

Overall Height:

15.000 inches

Overall Width:

21.000 inches

End Application:

F100-pw-229aircraft en

Product Name:

Mask, grit blast/plasma spray 7-13hpc drum rotor rear snap

Special Features:

Wuc: 23bgj, cip 506, task 31x-99y

Functional Description:

Covers areas to protect from grit blast and plasma spray during repair

Reference Data And Literature:

T.O.2j-f100-53-7

General Description:

Serd no.9456; used with pwa72678 and pwa72677 fixture, item has intregal rubber seal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
