End Application:

F/a 18

Usage Design:

Used to support multiple avionics in fms

Product Name:

I navy" adapter, aircraft eq

Functional Description:

Facilitates the mating of cables of computer test

Relationship To Similar Equipment:

Used with pn 74d050000-1401 & 74d050051-2601

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
