End Application:

An/alq-172; an/alm-289 hm

Product Name:

Hmu filter assembly

Special Features:

Consists of hollow cylindrical filter housing body 2682342; screen mesh 2682341, and screen retaining ring 2682339

Reference Data And Literature:

Manufacturer drawing 2682343

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
