Overall Length:

3.000 inches

Overall Height:

12.000 inches

End Application:

F108-cf-100

Product Name:

Rake, pressure/total, plane 17 fan discharge

Functional Description:

Used to measure the total pressure at plane 17 for test cell performance runs

Reference Data And Literature:

Serd 3850

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
