**End Application:**

E/i: tf39

**Nominallength:**

2.190 inches

**Product Name:**

Fixture, grit blast-npt rotor blade stage 2.

**Nominalwidth:**

2.740 inches

**Nominalheight:**

1.130 inches

**Special Features:**

Mat: urethane

**Functional Description:**

To protect stage2 trail during grit blasting process

**Reference Data And Literature:**

Serd no.6469

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A505c0
