End Application:

F100-PW-100-/200

Nominallength:

6.000 inches

Product Name:

Drill block

Nominalwidth:

0.700 inches

Nominalheight:

2.000 inches

Special Features:

Aisi a2 material

Functional Description:

Used to repair hole g on forward flange

Reference Data And Literature:

Pratt & whitney drawing pwa72948

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A505c0
