**Overall Length:**

3.500 inches

**Overall Height:**

3.000 inches

**Overall Width:**

3.000 inches

**End Application:**

F100-PW-229-ENGI

**Special Features:**

Multi-angled block used for holding screw pump to fixture

**Reference Data And Literature:**

Pratt & whitney drawing pwa72643

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
