End Application:

4920-01-006-5238, tester, cabin pressure -multi-acft

Product Name:

Flowmeter assembly

Special Features:

C/o flowmeter and control box assembly - p/n p1b40a002a-10

Functional Description:

Used with 4920-01-006-5238 to test cabin pressure

Reference Data And Literature:

Mfg. Dwg. P2d19a001

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
