Overall Length:

15.000 inches

Overall Height:

0.250 inches

Overall Width:

7.430 inches

End Application:

AV8B-HO-LDI-NGFI

Product Name:

Plate

Special Features:

6 different hole sizes and one slot on this plate, .213, .437, .136, .209, .312, .377. See drawing for additional technical information

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
