Overall Length:

1.500 inches

Overall Height:

0.250 inches

End Application:

Av8-b; holding fixture niin 01-541-0993

Special Features:

.690 drilled hole centered in 1.50 square length, material is .125 aluminum sheet 5052-h32 per qq-a-250/8 for additional plug specifications see dwg. Num. 18d4640.

Special Markings:

Rubber stamp or stencil the mfg. Code in .25 inch white characters

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
