Overall Length:

2.250 inches

Overall Height:

2.300 inches

Overall Width:

1.380 inches

End Application:

F110-ge-100/129/129b aircraft engines

Product Name:

Block, loc

Special Features:

Sae 4130-4142 steel; rockwell hardness 36-40; ams 2485 black oxide coating; similar but not equal to 3c4262-p06

Material:

Steel

Reference Data And Literature:

Ge drawing 3c4262

Surface Treatment:

Oxide

Supplementary Features:

Mounted at igv and stages 1 and 2 on fixture 3c4262

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
