Overall Length:

29.900 inches

Overall Height:

15.400 inches

Overall Width:

29.900 inches

End Application:

F-16 aircraft mapper

Product Name:

Jhmcs operating console kit

Special Features:

Consists of mb250b-01 console, 32435c-00 pc notebook kit, 99973792m carry case

Supplementary Features:

Notebook kit contains notebook charger 30381a-00, notebook 62900a-00, modified charge cable 30381a-00, rs232 to rs422 pcmcia 41768a-00

Reference Number Differentiating Characteristics:

Source control drawing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
