**Overall Length:**

12.000 inches

**Overall Width:**

10.000 inches

**Special Features:**

Tensile strength: less than 20 lbs, seam strength: pass, light transmission: 40 per cent, heat sealing conditions: temp: 250 f to 375 f:  
pressure: 30 to 70 psi, thickness: 3.1 mils

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
