Product Name:

Test cart, fuel atomizer

Functional Classification:

Dd-1.2

Special Features:

Consists of cart with spray chamber on top, sink, hydraulic circuits, electrical circuits, instrumentation

Functional Description:

Portable cart used to test a/m32a gas turbine engine atomizer 75076-18

Entry Date:

09-10-20

Specification Data:

58536-a-a-59824 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
