**End Application:**

F-16a/b/c/d

**Product Name:**

Test data extractor unit support kit

**Special Features:**

Consists of laptop communication power adapter ay15815820, lcpa external charger ay15815809, 110vac power cord wa00077, usp cable wa00076

**Functional Description:**

Used to provide power and assist in testing of the advanced brake controller anti-skid brake system

**Reference Data And Literature:**

Serd 24512

**Relationship To Similar Equipment:**

REPL-AC-EME-NTFO

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23800
