Overall Length:

0.100 inches

Overall Diameter:

Between 0.190 inches and 0.197 inches

End Application:

Ground support equipment f15 e

Product Name:

17-4 stainless steel bushing class ii, bare

Material:

Steel

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
