End Application:

J85-21

Nominallength:

3.300 inches

Product Name:

Drill jig brackets-ven actuator ring

Nominalwidth:

2.500 inches

Nominalheight:

1.260 inches

Special Features:

Material is cres

Functional Description:

To locate & repair welded bracket holes ven actuator ring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
