End Application:

Tdm wrapping stand

Product Name:

Segment, wrapping stand

Special Features:

Tallnes of arch is 8.250 in.

Special Markings:

53711-6990405

Material:

Aluminum alloy

Supplementary Features:

Width of materail 0.500 in.

General Description:

Design is 1/2 arch; inside arch is 8.500 in. From perpendicular horizontal axix, outside of arch is 10.500 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
